# BUSINESS NETWORK OF TAMILS (BNT)

**Bridging Bombay - Chennai - Bangalore – Pondicherry**

BNT is a registered society actively engaged in promoting Tamil entrepreneurs in trade and industry. Our members mainly represent MSME sector entrepreneurs and medium-level traders. We have three chapters in Chennai and three more chapters outside Chennai. Around 150 members are actively engaged in networking and promoting their businesses.
Trade and industry are expanding very rapidly. Technology tools have become essential. New products are constantly being introduced and replacing older ones. The demand for products and services is growing multifold, and a national and global network has become important and indispensable. In this background, BNT envisage that the Tamil community should develop a broader network across different states.

We have conducted two networking meetings with Pondicherry Tamil entrepreneurs during 2024 and 2025. We also held a mega networking meeting in Bangalore on 05/07/2024.

Now, we are planning a Tamil entrepreneurs meeting in Bombay during the month of June. About 30 entrepreneurs from Chennai, 10 from Bangalore, and 10 from Pondicherry will participate.

There is no registration fee for participants. We intend to invite around 50 Tamil entrepreneurs from Bombay to participate in the meeting. The meeting will be held in a star hotel in Bombay. Each member will have two minutes to present their business and may exhibit a video about their trade or industry.

- Breakfast will be served before the session.
- Presentations will begin at 10:00 AM and conclude by 2:00 PM.
- Lunch will follow the presentation session.
- The interactive session after lunch will allow participants to exchange business cards and catalogues. This session is intended to enlighten participants on a variety of business opportunities and pave the way for entering new markets across different states.
- The meeting will conclude after high tea.

After finalizing sufficient participants from Bombay, we will circulate the confirmed date and venue of the network meeting. We expect enthusiastic support from Tamil entrepreneurs in Bombay to participate in large numbers and benefit from this initiative.

Note: Breakfast, lunch, tea, and evening high tea will be provided at the meeting
